IMPORTANT POINTS TO REMEMBER

- The class schedule is **subject to change**.
- **Certain days or times may be closed to specific ages and levels;** we’ll work with you to find a class and time that’s right for your child and schedule.
- We may be able to **create a class** during a closed time, if there is enough interest and instructor availability; please speak to a staff member for more information.
- You may **change your child’s class day or time at any time** as long as there is space in another class.
- Your swimmer is **automatically enrolled** in his/her weekly lesson each month until you submit a Withdrawal Form with 30-days notice to cancel your class.
- There are **no refunds**.
- **Make Ups** are available for any reason as long as you call us before the absence (no later than the day of the absence). If you do not notify us of an absence, we will not issue a Make Up. Each swimmer may do 4 Make Ups per calendar year; after that Make Ups are \$5 each. Make Ups will not “roll over” to the next year. Make-up lessons are offered on a “space-available” basis within existing lessons and must be taken within 30 days of the absence. To schedule a Make Up, call during the week you wish to do the Make Up. You may also use your Make Up for a Family Swim Night. There are no Make Ups for a missed Make Up. Make Ups are not transferrable. Make Ups must be scheduled while you are currently enrolled for swim lessons.
